

**Department of Chemistry**  
**XI-Science Chemistry Practical**

**Notice**

**Date : 13/02/2017**

Students of std. XI science should note that, their regular chemistry practicals will be conducted from Saturday 25/02/2017 to Tuesday 28/02/2017.

During above mentioned days revision practicals for Inorganic Qualitative Analysis and Volumetric Analysis will be conducted and also there will be project submission, project viva and Journal certification.

**Kindly note that there will be no journal certification after Tuesday 28/02/2017.**

Students should note the time table of the practical and attend accordingly.

**Time-Table**  
**XI-Science Chemistry Practical**

Day / Date	Time	Division & Batch No.	Practical
Saturday 25/2/17	7.30 am to 9.15 am	E & F <sub>1</sub>	1. Revision :- Salt and titration. 2. Project and viva. 3. Journal certification.
	9.30 am to 11.15 am	D	
Monday 27/2/17	7.30 am to 9.15 am	A & F <sub>2</sub>	1. Revision :- Salt and titration. 2. Project and viva. 3. Journal certification.
	9.30 am to 11.15 am	G & F <sub>3</sub>	
Tuesday 28/2/17	7.30 am to 9.15 am	B & F <sub>5</sub>	1. Revision :- Salt and titration. 2. Project and viva. 3. Journal certification.
	9.30 am to 11.15 am	C & F <sub>4</sub>
