

Placement Cell

Mrs. Chitra Nagarkar
In-charge

Placement cell was comprised for the academic year 2014-15 with the following staff members: Principal Dr. S. G. Gupta (Chairman), Mrs. Chitra Nagarkar (In-Charge) and members from various departments - Dr. S. S. Diwanay (Microbiology), Dr. Ankur Patwardhan (Biodiversity), Dr. Shobha Waghmare (Chemistry), Mr. Aseem Auti (Biotechnology), Dr. Supriya Patil (Electronics), Mr. Mangesh Kute (Physics), Mr. N. D. Ade (Economics), Mrs. Rasika Rahalkar (Computer Science)

The activities of the placement cell initiated with a formal meeting addressed by Principal Dr. S. G. Gupta., highlighting an importance of placement cell in the college. Agenda for the meeting was to appeal an active and energetic participation of all the team members of placement cell & to prepare a database for UG and PG students from science and arts streams. Data Collection work was distributed to some of the team members of the committee. Strategies about collecting data from students and giving data to various companies were also decided. Meeting emphasized with a discussion about improving placement activities and interacting with placement agencies and training institutes.

College campus placement cell facilitates the process of placement of students in various companies. Most of the companies provide a link on their websites for registration of fresher candidates. They also have their own eligibility criteria for the jobs. A student fulfilling criteria, can register on the company website portal. Once registered, a student has to go through various steps like written tests, group discussion & interviews in the placement drive. Candidates passing through all these steps are entitled for getting an offer letter. Some of the companies also prefer to do this entire process of selection in college campus itself.

All the correspondence with these companies is the sole responsibility of college placement committee members. According to the given criteria, we select students from student's database and inform them about the details of campus drives. We do have an up-to-date record of all these students in our database. A student once got selected is not eligible to go for other placement drives. This gives a fair chance to all the students to get selected.

Various large scale companies like Wipro, Infosys, Cognizant, HSBC etc. approached this year. The detail list of companies came for the campus placement this year is given below. The list includes small scale as well as large scale companies.
